

## **IT Support Assistant**

As part of the IT team you will be involved in providing a high level of support to the Company's users (Including our parent Company in the UK). You will have several years of IT helpdesk experience, excellent all round IT Skills and good written and verbal English. Any IT certifications would be beneficial.

Familiarity with Windows desktop and server OS, Virtualisation, Active Directory, O365, networking, security and good documentation skills would be valuable. Good O365 SharePoint skills would be an advantage

We are looking for an enthusiastic and productive person who can work as a team player with flexible attitude and who is willing to develop new skills.

Please note one of the objectives of this role is to provide support to our parent Company's UK office. The expected working hours for this role will be 9:00-17:00, however you may be required to work later hours to support remote users.

Some travel to other company sites (both in Finland and abroad) may be required to provide IT support and training.

Please send your application with salary request and CV in English by 25 August 2017 electronically to [jobs@finvector.com](mailto:jobs@finvector.com). More information about the position can be asked from Assistant IT Manager Ville Harjulampi, p. 044 5872562 on Monday 14 August at 10-15.
